Documents to be submitted (for detailed description see the .pdf Invitation to tender):

- _ Author submission form with additional descriptions of the draft and the following details:
 - _ Basic concept of solution to the task
 - _ Creative aspects of the entire complex
 - _ Elaborate description of project
 - _ Technical report
 - _ Sustainable aspects
- _ 2 project posters (70 x 100 cm)
- _ CD/USB

With the signature each author confirms to accept the conditions of the competition. Each team member is required to fill in a separate submission form. The author submission forms of all team members must be filled in as described in the invitation to tender under documents to be submitted and enclosed with the submission documents. The consent to the publication of the competition entry is confirmed by the authors and possible third parties concerned. All documents are to be submitted no later than Tuesday, 31 March 2020 (by 4 pm) with the keyword "proHolz Student Trophy 2020" at proHolz Austria, Am Heumarkt 12, 1030 Vienna, Austria, either by mail (date stamp) or personally.
